Good morning Ms. Kaiman,

It will be at least 4-5 more weeks before we will be able to complete your request. Our office has been unable to respond to your request within the FOIA's 20-day statutory time period as there are unusual circumstances which have impacted on our ability to quickly process your request. The unusual circumstances are: (1) our office is still responding to a number of FOIA requests that arose due to the two hurricanes that impacted Florida and Puerto Rico last year; (2) the volume of records that were produced for your FOIA request that require review; and (3) other litigation pending in our office.

If you have any other questions or concerns, please let us know.

Thank you,

FOIA Administrator
